**1. LEGAL REQUIREMENT:** A Contract for the sale of real property is required to be in writing to be enforceable under the laws of the State of Maryland. Once signed by the parties, the Contract becomes a legally binding agreement. The original terms of the Contract can only be altered thereafter with the agreement of the parties expressed in writing. All parties have the right to be represented by an attorney and are encouraged to seek competent advice if they do not understand any term(s) of the Contract. The broker/agent is required to promptly submit all written Contract offers to the Seller.

**2. INTENDED USE:** The use of a particular property may be limited or restricted as a result of zoning laws, local ordinances and/or restrictive covenants applicable to the property. The Contract of Sale form provided by the broker/agent is designed and intended for use only in the purchase and sale of single family residences or unimproved residential property. If Buyer intends to use a property for any other purpose, the standard Contract of Sale form may not adequately serve to protect Buyer's interests without the addition of an appropriate clause or addendum conditioning the Contract offer upon a determination that Buyer's intended use of the Property will be permitted.

**3. COVENANTS AND RESTRICTIONS:** A majority of homes, whether new or re-sale, located in a subdivision are subject to certain restrictions applicable to the use of the Property as well as the construction of certain improvements to the Property referred to as covenants. In the case of Property subject to a Homeowners Association or Condominium Association, the covenants are contained in a Declaration of Covenants and Restrictions as well as the Bylaws of the Association. However, other properties may be subject to covenants as part of a **voluntary** Community Association or even with no association. **Seller Acknowledges:**

**4. PRIVATE AGREEMENTS:** Some Property may be subject to agreements, covenants or restrictions relating to the cost of certain maintenance items, restricting the use of properties or dealing with other matters. For example, properties sharing a driveway are often subject to such agreements. These private agreements do not fall within the required disclosures of HOA or condominium laws and may or may not be recorded. Buyer should make inquiries of Seller prior to or at the time of contract.

**5. EQUAL HOUSING OPPORTUNITY:** A REALTOR is required by federal, state and local law, and the Code of Ethics of the National Association of REALTORS to treat all parties in a non-discriminatory manner without regard to race, color, religion, sex, familial status, national origin, marital status, sexual orientation, gender identity, disability, source of income, or other protected classifications under Fair Housing Laws.

**6. SETTLEMENT:** All persons to be in title and/or responsible where a mortgage is to be created should be present at the time of settlement and may be required to provide proper identification. Buyer should establish gas, electric and water service in Buyer's name commencing the day of settlement. Buyer should be prepared at the time of settlement to pay the settlement costs and the balance due under the Contract. Buyer must provide for amounts to be paid at settlement in acceptable form (cash, wired funds, bank check or certified check) to meet title company guidelines. In some cases, Seller may be required to provide funds in

excess of any sales proceeds in order for settlement to occur, in which event, Seller also should be prepared to make payment in an approved form. Any party uncertain of the amount required at settlement, or approved methods to pay, should make inquiry of the title company or settlement attorney prior to settlement.

**7. MORTGAGE REQUIREMENTS:** Buyer acknowledges that, as a condition of obtaining a mortgage loan, lenders may require proof of hazard insurance coverage and may also require flood insurance coverage. Depending upon the type of mortgage applied for by Buyer, lenders may require certain certifications that relate to a Property or require inspections/appraisals that certify that a Property is free of specific hazards or conditions.

**8. BWI AIRPORT NOTICE:** Some properties may be located in the Baltimore/Washington International Airport Noise Zone. A Buyer desiring to obtain a copy of Noise Zone Maps may do so by calling the Office of Noise, Real Estate and Land Use Compatibility at 410-859-7375 or visit <https://marylandaviation.com/environmental/bwi-marshall-noise-zone/> for more information. Information regarding the location of other airports and their operations may be obtained by calling the local zoning office for the area in which the Property is located.

**9. ENVIRONMENTAL CONSIDERATIONS; HAZARDOUS MATERIALS:** There are many hazardous materials that could affect a Property. The Brokers and their agents will generally have no knowledge of these hazardous materials and do not have the technical expertise to ascertain or advise you of the presence or significance of these hazardous materials. Buyer has the right to request, as a condition of an offer and, subject to acceptance by the Seller, the employment of a specialist of Buyer's choice to provide an analysis of hazardous materials which may be present.

Hazardous materials inside a property can include, but are not limited to, fire retardant treated plywood (FRT), asbestos, aluminum wiring, radon, polybutylene pipe (PB), lead paint, petroleum products, lawn and garden chemicals and indoor air pollutants that can accumulate. Hazardous materials outside the 2 home can include, but are limited to, those found in contaminated land, water, landfills and other disposal sites, industrial air and water emissions, radiation from high tension wires, and those which may be present in underground storage tanks. **Consumer Notice to Buyers of Residential Real Estate in Maryland  
(Include with Exclusive Buyer/Tenant Representation Agreement)**

**Buyers of residential real estate in Maryland are advised to inquire about the following items:**

**COVENANTS RUNNING WITH THE LAND:** Covenants running with the land are agreements that stipulate that ownership of the land cannot be transferred unless the new owner agrees to continue to abide by the covenants. They cannot be separated from the land and transfer with it. For example, an individual might own property subject to a covenant that requires the property to be used for charitable purposes only. A buyer who purchases the property must agree to use the property for charitable purposes only.

**DEED RESTRICTIONS:** Deed restrictions are provisions in a deed that limit the use of the property. With some exceptions, deed restrictions cannot be removed by the new owner.

**EASEMENTS:** An easement is a right, privilege, or interest that one party has in the land of another. There are many types of easements, including, conservation easements, utility easements, gas line easements, and power line easements. Easements may be in property deeds or title papers, and are part and parcel of the land they affect.

**LEASES:** A lease is any agreement that gives rise to a landlord/tenant relationship. Unless otherwise specified in the lease agreement, the buyer of a property occupied by a tenant under a lease is bound by the conditions and terms of the lease.

**ONSITE SEWAGE DISPOSAL SYSTEMS (OSDS) WITH BEST AVAILABLE TECHNOLOGY (BAT):** An OSDS is a wastewater treatment system that discharges the treated effluent into the ground. An OSDS with best available technology reduces nitrogen levels. If an OSDS system with BAT is installed on the property, Seller may have used state funds to purchase the system. If state funds were used to purchase the system, the property may be encumbered by an easement that obligates the owner of the property to comply with certain requirements such as maintaining the system and allowing the Maryland Department of the Environment and the county/city in which the property is located to inspect the system. Buyer is advised to inquire about the terms under which an OSDS system with BAT was installed on the property and check with the appropriate city/county agency.

**PROPANE TANKS:** Propane is a source of energy that is used for heating homes and water, cooking and refrigerating food, drying clothes, and fueling gas fireplaces and barbecue grills. Propane tanks may be owned or leased. If a propane tank is installed on the property, Buyer is advised to inquire about the terms under which the propane tank was installed, how to transfer the ownership or lease, and any costs associated with the transfer.

**HOME SECURITY SYSTEMS THAT RECORD AUDIO:** Buyer is advised that Maryland law prohibits **audio recording** of private conversations without the consent of all parties.

**SOLAR PANELS:** Solar panels are devices that convert light into electricity. If solar panels are installed on the property, Buyer is advised to inquire about the terms under which the solar panels were installed, how to transfer the ownership or lease, and any costs associated with the transfer.

**WIRE FRAUD THROUGH EMAIL:** Buyer is advised to never trust wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails are convincing and sophisticated. Buyer should always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number. Buyer should never wire money without double-checking that the wiring instructions are correct.

**DEPOSIT HELD BY ESCROW AGENT:** Buyer is advised that an escrow agent, other than a Maryland licensed real estate broker, is not subject to the same legal requirements that Maryland licensed real estate brokers are under the Maryland Real Estate Brokers Act concerning the holding and the release of deposit monies. If the deposit is going to be held by a third party other than by a Maryland licensed real estate broker involved in the transaction, the parties are required to enter into a separate written escrow agreement, binding upon the parties and the escrow agent that complies with Section 10-802 of the Real Property Article, Annotated Code of Maryland.

**SMOKE ALARMS:** Buyer is notified that there were changes in Maryland law regarding smoke alarms and smoke detectors (Section 9-101 et seq. of the Public Safety Article, Annotated Code of Maryland). The type of smoke alarm required in a dwelling depends upon the age of the property. As of January 1, 2018, among other changes, no alarm—battery powered or hard-wired—may be older than 10 years from the date of manufacture, and if battery powered, be sealed, tamper resistant units incorporating a silence/hush button, which use long-life batteries. There are penalties for non-compliance. Additionally, some jurisdictions have more stringent rules for new construction or for rentals. Buyer is advised to inquire about smoke alarm compliance. ## Consent for Dual Agency

*(In this form, the word "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease")*

### When Dual Agency May Occur

The possibility of Dual Agency arises when:

- 1) The buyer is interested in a property listed by a real estate broker; and
- 2) The seller's agent and the buyer's agent are affiliated with the same real estate broker.

### Important Considerations Before Making a Decision About Dual Agency

A broker or broker's designee, acting as a dual agent does not exclusively represent either the seller or buyer; there may be a conflict of interest because the interests of the seller and buyer may be different or adverse. As a dual agent, the real estate broker does not owe undivided loyalty to either the seller or buyer.

Before the buyer and seller can proceed to be represented by a broker acting as a dual agent, they must both sign Consent for Dual Agency. If the buyer has previously signed Consent for Dual Agency, the buyer must **affirm** the buyer's consent for the purchase of a particular property before an offer to purchase is presented to the seller. If the seller has previously signed Consent for Dual Agency, the seller must **affirm** the seller's consent for the sale of the property to a particular buyer before accepting an offer to purchase the property. The **affirmation** is contained on Page 2 of this form.

### Your Choices Concerning Dual Agency

In a possible dual agency situation, the buyer and seller have the following options:

1. **Consent in writing to dual agency.** If all parties consent in writing, the real estate broker or the broker's designee (the "dual agent") shall assign one real estate agent affiliated with the broker to represent the seller (the seller's "intra-company agent") and another agent affiliated with the broker to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategy.
2. **Refuse to consent to dual agency.** If either party refuses to consent in writing to dual agency, the real estate broker must terminate the brokerage relationship for that particular property with the buyer, the seller, or both. If the seller terminates the brokerage agreement, the seller must then either represent him or herself or arrange to be represented by another real estate company. If the buyer terminates the brokerage agreement, the buyer may choose not to be represented but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company. Alternatively, the buyer may choose to enter into a written buyer agency agreement with a different broker/company.

### Duties of a Dual Agent and Intra-Company Agent

Like other agents, unless the client gives consent to disclose the information, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations. For example, without written consent of the client, a dual agent or intra-company agent may not disclose to the other party, or the other party's agent:

- 1) Anything the client asks to be kept confidential; \*
- 2) That the seller would accept a lower price or other terms;
- 3) That the buyer would accept a higher price or other terms;
- 4) The reasons why a party wants to sell or buy, or that a party needs to sell or buy quickly; or
- 5) Anything that relates to the negotiating strategy of a party.

**\* Dual agents and intra-company agents must disclose material facts about a property to all parties.**

### How Dual Agents Are Paid

Only the broker receives compensation on the sale of a property listed by that broker.

If a financial bonus is offered to an agent who sells property that is listed with his/her broker, this fact must be disclosed in writing to both the buyer and seller.

### Consent for Dual Agency

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency and that if I **refuse** to consent, there will not be a dual agency; and that I may withdraw the consent at any time upon notice to the dual agent. I hereby **consent** to have

The Voice for Real Estate® in Maryland

**Q How Can Insurance availability/affordability affect the real estate transactions?**

A. The affordability and availability of insurance affects both buyers and sellers .Buyers will typically be obtaining mortgage financing to pay the purchase price of the property. The lender will require that there be property insurance to cover their interest in the property. If proof of insurance is not available at closing the lender will likely refuse to release the funds and therefore delay or even derail the transaction, either of which can impose both inconvenience and cost to both the buyer and seller. Even in a "cash" transaction the buyer may be hesitant to complete a transaction where insurance is not available to cover the buyer's equity in the property.

**Q. When should a buyer apply to obtain an insurance policy to cover the property being purchased?**

A. The interest of both buyers and the sellers now suggests that the buyers should begin their search for insurance no later than the time of the contract to purchase is signed. This helps to assure a firm commitment for the issuance of a policy well in advance of the settlement of the transaction. Waiting until the last days or even weeks before the closing can limit the opportunities of the buyers and sellers to address the affordability and availability issue and, if needed, to find alternatives for difficult to insure properties. There have been many examples of transactions, which have been adversely affected in some manner because of problems associated with insurance availability/affordability.

**Q. What kinds of events/records can affect the ability to obtain insurance on a property being purchased?**

A. A number of factors can affect the availability and cost of homeowner insurance on a property being purchased. For example, they include:  
 a. past claims filed on the property(up to previous five years)

- b. poor insurance score of the prospective purchaser
- c. past claims filed by the property purchaser on other properties
- d. physical characteristics of property(e.g., leaky roof, historical)
- e. characteristics of the property's location (e.g., proximity to fire station, regional weather conditions)

**Q. How does the insurance company know what claims have been filed in connection with the property?**

A. Approximately 90% of all insurance companies contribute information regarding claims to an insurance industry database. When underwriting a new policy the insurance company may obtain a report from this system from one of a couple different sources to determine the property's claims history. This report is most often identified as a comprehensive loss underwriting exchange report or a "CLUE Report." The report contains information regarding property claims filed in connection with a particular property and claims filed by a particular insured person .For a fee the current owner of the property may obtain a copy of this report. A copy of the report is available to the property owner through companies such as ChoicePoint, Inc, either by writing to ChoicePoint, Inc located in Alpharetta, Georgia, or by going to their website, choicetrust.com, and A-Plus, either by writing to A-Plus located in Jersey City, New Jersey or calling 800-709-8842.

**Q. Should I get a copy of the CLUE Report?**

A. While this decision is up to the property owner, it is important to understand the limitations of the report. The report contains only raw information and how that information will affect the insurability of a property isn't explained as a part of the report. Moreover, not all insurance companies use the report and those that do use it don't all use the information in the same way. As a result having the report may not enable you to predict whether a particular company will insure the property. If you want information on how a CLUE Report or other similar report may affect your ability to obtain insurance contact your insurance agent.

**Q. Are there factors unique to a buyer that can affect their ability to obtain insurance?**

A. Yes, although not used by all insurance companies in determining eligibility for insurance, some companies do review the claims filed by the buyer on properties owned by the buyer during the preceding five years. This is another aspect of the CLUE Report database that focuses upon the insured individual rather than the insured property.

Another more controversial factor is the use of Insurance Scores. Insurance Scores, which are formulas developed by insurance companies in an effort to predict the likelihood of an individual filing claims, are sometimes used to determine to whom or at what price an insurance policy will be issued.

Insurance scores are not standardized within the insurance industry and both how they are calculated and how they are used is generally not known outside of individual insurance companies. If you want additional information on how insurance scoring may affect our ability to obtain insurance contact our insurance agent.

**Q. Can an insurer rate my insurance risk based on my credit score?**

A. No. In Maryland, insurance companies are prohibited from using credit scores to determine a property owner's insurance risk.

**Q. If I have questions about insurance practices or the law, who should I contact?**

A. The Maryland Insurance Administration has a consumer complaint line for all forms of insurance. In the case of homeowner's insurance, you would contact the Consumer Complaints Department for Property and Casualty at 410-468-2341

Good afternoon,

We are aware that the 3907 Juniper Road property will be listed for sale.

For ease of access, we post many of the documents that must be presented to the buyer on our website. Here, you will find the Deed & Agreement, Charter, By-Laws, and Architectural Guidelines: <http://guilfordassociation.org/realestate/>.

The budget is published annually. Please find the budget on page 2 of the Spring 2026 *Guilford News* newsletter: [https://guilfordassociation.org/wp-content/uploads/2026/04/guilford\\_SPRING\\_2026\\_web.pdf](https://guilfordassociation.org/wp-content/uploads/2026/04/guilford_SPRING_2026_web.pdf)

The homeowner's mandatory maintenance charges for 2026 for 3907 Juniper Rd were \$440.16, and have been paid in full. Voluntary HOA dues (\$50) and Guilford security patrol fees (\$400) were also paid; these benefits will carry over to the Buyer for the remainder of the calendar year. You may find the 2026 invoice/statement of account and a letter from the president of the Association explaining the charges attached.

To confirm if there are any covenant violations that must be disclosed to the buyer and per my request, the Architectural Committee (AC) conducted a review and relayed the following.

- A covenant violation exists specifically regarding the unapproved rear fence. This fence does not meet the height or style requirements stated in the Architectural Guidelines. However, the fence may remain in-place. When the fence needs replacement or significant repairs, it must be replaced with a Guilford-approvable fence.
- Should any additional covenant violations arise or be discovered, they should be corrected or disclosed to the buyer.

Let me know if you need anything else.

Kind regards,

---Pat

**Electronic Record and Signature Disclosure**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Jon Schmitt (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

**How to contact Jon Schmitt:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

**To request paper copies from Jon Schmitt**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [jschmitt@heidikrauss.com](mailto:jschmitt@heidikrauss.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number.
